VITAL STATISTICS FOR 1957

N
352.07
W14
1957

The picture on the cover is the new F-750 Ford Truck affectionately known as "Big Ben" (by the Selectmen and Highway Crew) as it was being officially delivered to the town. Right to left: Romeo A. Jette, Chairman of the Board of Selectmen accepting keys; John Tierney, Owner of the Wakefield Ford Garage; Selectmen Edwin J. Grant and Johnnie W. Nason.

This truck has proven to be a very efficient piece of equipment, capable of handling tremendous amounts of snow with a minimum of effort.

We are very grateful that the Town Meeting voted this vehicle and equipment.

IN MEMORIAM

EDWIN JASON GRANT

Mr. Grant was born in Orono, Maine in the year 1876. After working many years as a log scaler for Hollinsworth and Whitney Co. he moved to Lynn, Mass. where he worked ten years for the Boston & Maine R. R.

He then moved to Milton Mills and bought a farm which he and his brother worked until he moved to Wakefield in 1945.

"Ned" as he was "affectionately" known by everyone, soon won the confidence and respect of the townspeople, and was elected to the Board of Selectmen in 1950 and served continually until he passed away Jan. 24, 1958.

He was a conscientious, reliable, and diligent servant of Our town, and though he has "passed on" his memory still lives as an inspiration to all of us.

Beginning on April 4, 1957 the Library was open Thursday afternoons and evenings.

The Library hours now are:

Tuesday	2:30-5 p.m.	7-8 p.m.
Thursday	2:30-5 p.m.	7-8 p.m.
Saturday	2:30-5 p.m.	7-8 p.m.

Library Assistants: Mrs. Henry D. Gasson
Miss Mary Hanson

Volunteer Assistants: Mr. Alden N. Young
Mrs. Howard P. Sawyer

Story hours during July and August were conducted by Mrs. Hazel MacBrien. Mrs. Albert Knight and Mrs. Edwin P. Geauque assisted in charging books.

Work on the catalog and filing has continued during the year and the catalog is now up-to-date. The work in changing to a new charging system has continued. Some of the work on this project has been done by pupils of the local schools.

Special events to raise money for the purchase of books were:

Book Sale conducted by the Mothers of the Nursery School under the direction of Mrs. Hazel MacBrien.

Demonstration of Portrait Painting by Wess Warren of Brookfield, N. H.

Lecture: Chemistry of Poison Ivy and Related Plants by Dr. Charles Dawson of Columbia University.

Beside the regular trips of the Bookmobile the New Hampshire State Library has rendered valuable service including sending by mail many books which have been requested and advice and suggestions by Miss Margery Stroud, Public Library Consultant, and Mr. Gardner Soule, Extension Librarian.

UNION FREE LIBRARY

Jan. 1957 to Dec. 31, 1957

The Library is open each Wednesday afternoon.

At present there are 3,343 volumes in the library for adults and 163 volumes for the children.

We have sixty-seven registered borrowers.

We have four magazines and one newspaper for circulation.

The total circulation for 1957 was 2,033 books which includes both fiction and non-fiction books.

During the year the Book Committee selected and bought 29 books for the adults and 20 books for the juveniles. We had six books given to us during the year.

Several of the books we bought are on the Church Reading list.

The Bookmobile comes to the Library about every eight or ten weeks and I borrow about seventy-five books each time which includes books for adults and children.

The school children come to the library for books to help them with their school work.

Chairman Zoning Board

DETAIL REPORT AND RECOMMENDATIONS OF THE PARK AND PLAYGROUND COM.

Because we believe drastic changes in our community life may well affect our very existence by the rerouting of Highway No. 16, your Commission, starting in September, have made a thorough survey of the recreational potential of the entire town.

Five projects of major importance to the Town, were undertaken, all of which ought to be adopted within the next five-year period, as follows:

The Town Hall is in drastic need of repairs and in this connection we recommend a Recreation Center be established in the basement to consist of a community center on the Meadow Street side and four bowling alleys on the Library side. To comply with the fire and sanitary codes, where 100 or more people congregate, safety is of the first concern. The Commission requests, therefore, the authority for this section of the building to come under their jurisdiction in order to comply with Chapter 34 of the N. H. Laws which provides for the collection of fees. In accordance with our study the bowling alleys ought to be self-sustaining and we predict if our recommendations are adopted, we may well entirely eliminate the $1,200.00 deficit now accruing against the entire building. We must caution you, however, our first duty is to our children and the intrinsic value should not be considered, because some place MUST be established as a Community Center, and the Town Hall, in our opinion will be ideal.

Moose Mountain Ski Area has so many possibilities, space prohibits a detailed report. With the new Rt. 16 passing within a few feet of this potential and from

our study, one of the foremost users would be students of the University of N. H., only 30 minutes away by automobile. We understand from reliable sources, and with the proper advertising, this area well may come to be known as the University Ski Area. We recommend serious consideration for the adoption of this facility in the immediate future.

A bathing beach is a sorely needed addition to our recreational growth. We recommend next year, after the new highway by-passes Sanbornville, immediate steps be taken with the Socony people, for the Town to acquire said property, remodel the present filling station into a modern bath house. Dredge out the bay, fill with new sand, and erect a chain linked fence around the property and this acquisition would be self-sustaining.

One of the beauty spots in Town is the Vista-View on Rte. 16 in North Wakefield. We recommend the Town or private interests erect a fifty-foot sight-seeing tower on this site, with two telescopes at the summit and admission be charged for the use thereof.

Our baseball field is progressing rapidly. Literally turning a wood lot into a level area almost as large as Fenway Park, was a major effort on our part. Townspeople generally are praising our work. At this writing the Wakefield Lions Club and the Veterans of Foreign Wars plan to sponsor Little League teams this year with plans now in progress to enter one of the numerous leagues in this area. We are sure this will materialize.

Our over-all picture is good. It will take all of us to "measure up" and put every effort into our recreational potential. First, we must remember our future

citizens, our children—they must have a community center. Secondly, our vast area must be developed, in order that we can obtain our share of the summer recreational business, remembering this is big business. The cost ought to be secondary.

We thank all of you for your support and sincerely solicit your cooperation.

Respectfully submitted,

FOREST FIRE WARDEN'S REPORT

Everyone apparently fears fire but too many are careless with it. This is particularly true of fires in or near woodland. Official figures show that more than 98% of all forest fires results from human carelessness and can be prevented. Consequently we may say "Forest Fires are our most shameful waste."

Annual forest fire losses are tremendous and their effects are far reaching. Such fires destroy the raw products of the forest, the protection forest provides for game, and the supply of ground water. They upset the local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Your local warden and his deputies are doing an excellent job in trying to prevent this shameful waste, but they must have the cooperation of the public and this means YOU. Remember there are laws that cover the making of a camp fire, also the burning of rubbish or debris, and also the burning of brush whether this is on your land or land of other people, and to disobey these laws can cost you a great deal of money. So please see your local warden and he will tell you how to burn the rubbish, also when you can burn it, and also issue you a permit to do so if conditions are right.

In the "Keep America Green" program there is a story of two bad boys who cause most of our forest fires. The first one we will call "I don't care." He is the person that builds a fire anywhere, never gets a permit to burn brush, or has a safe place for his home incinerator. He also is very careless with matches and cigarettes. The other one is called "I

don't know any better" and the best way to describe him is he is a plain dunce. It is only with your help that these two bad actors are controlled. Their carelessness can be the cause of our valuable woodland being destroyed by fire. Even your homes can be burned by their carelessness.

It is up to you and you to report these two characters to your local forest warden whenever you see them operating. Remember it is with your cooperation that this shameful waste of timber and money can be stopped.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Wakefield, N. H. qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the Eleventh day of March 1958, at 8:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose all necessary District Officers for the ensuing year.

2. To see if the district will vote to accept the Budget as submitted by the Budget Committee, and to raise and appropriate the sum of $82371.95, the cost thereof.

3. To see if the district will raise and appropriate the sum of $246.00 to be used, in conjunction with funds to be raised and appropriated by other school districts in the Supervisory Union No. 36, for the purpose of conducting a study of the feasibility of the formation and operation of a cooperative school district by not less than five of the seven districts involved, namely Brookfield, Effingham, Freedom, Madison, Ossipee, Tamworth, and Wakefield. The above sum is based on $3.00 per pupil, grades seven to twelve inclusive, according to the average daily membership of these grades for 1956-57. The use of this appropriation is contingent upon appropriations made on a similar basis by not less than five of the seven districts named above.
(APPROVED BY THE BUDGET COMMITTEE)

4. To elect three members of the cooperative school study committee to act in conjunction with the school board members.

5. To see if the school district will vote to hereafter use a check-list for the election of its officers, beginning with the 1959 annual district meeting, and will adopt as its school check-list the Town check-list, as provided in RSA 197: 12a, as inserted by laws of 1957, chapter 57.

6. To see if the district will vote to raise and appropriate for the construction, equipment, and furnishing of an addition of five rooms to the Paul school the sum of $80,000.00; and whether the district will vote to raise such sum through issuance of serial bonds upon the full faith and credit of the district and to authorize the school board to determine the terms and conditions upon which said bonds shall be issued including their sale and the time and place of payment of principal and interest, in accordance with the provisions of the Municipal Bonds Statute, N. H. Revised Laws Chap. 72, and any amendments thereto.

(DISAPPROVED BY THE BUDGET COMMITTEE UNANIMOUS VOTE)

7. To transact any other business that may legally come before said meeting.

Given under our hands at said Wakefield this 21st day of February 1958.

RUSSELL C. THOMPSON
WILLIAM N. SPARHAWK, JR.
JOHN PRATT
School Board of Wakefield

On behalf of the School District of Wakefield, the School Board wishes to express sincere appreciation to Mr. and Mrs. Richard Swinerton for their generosity. Last Summer Mr. and Mrs. Swinerton deeded, as a gift, to the Wakefield School District, a parcel of land adjoining the property previously obtained from them for school purposes. It is more than gratifying to know that we have in our District people of this caliber who, by the goodness in their hearts, are willing to give, without thought of remuneration, to a cause which they believe will brighten the lives of their fellow men. If more of us throughout the world would follow this example, peace and good will would become more than just a dream; it could not help but become a reality.

A committee of the Sanbornville Athletic Association consisting of George Hoit, Paul Soucy, Donald Duchano, Clarence Martin, and Ernest Lakin were appointed to formulate plans for a baseball field on this land, and to proceed with construction of same. Although the forest fire hazard, prevalent most of the summer delayed operation of the work, a good amount of progress was made in clearing and leveling the land. And if all goes well the hearty cheers of our youth will be heard as they enjoy the contests so vital to growing children.

Laura and Dick, you will be compensated by the fact that it was through your act of goodness that this will be possible, so you may lay claim to a large portion of these cheers for yourselves.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Wakefield:

During the school year 1956-57 the teachers in the Sanbornville Schools were: Miss Abbie F. Tuttle, grades 1 and 2; Mrs. Alma Gray, grades 2 and 3; Mrs. Margaret Doe, grades 3 and 4; Mrs. Mary Belliveau, grades 5 and 6; Mr. Gerard Belliveau, grades 7 and 8. Mrs. Gray was succeeded March 4 by Mrs. Leda Knapp, of Ossipee, who is a graduate of Plymouth Teachers' College, with several years teaching experience. In the Union School were: Mrs. Florence Gerrish, grades 1 to 4; and Mrs. Helen Abbott, grades 5 to 8. In the East Wakefield School was Mrs. Edith Horne, grades 1 to 8. We are fortunate to have competent teachers who are devoted to the welfare of the children.

At the opening of school in September, 1957, Mrs. Belliveau was succeeded by Mrs. Evelyn Sands, of Wolfeboro, who is a graduate of Pembroke College. Mr. John Sapp, a graduate of the Naval Academy, who had recently resigned from the U. S. Marine Corps, succeeded Mr. Belliveau in grades 7 and 8. In the Union School Mrs. Blanche Wentworth succeeded Mrs. Florence Gerrish in the primary grades.

The total enrollment in the Wakefield Schools was 204 with an average membership of 183.7. The schools opened in September of the current year with an enrollment of 193. The estimated enrollment for 1958-59 is 200.

High school pupils from Wakefield were enrolled as follows:

High School	No. of Pupils	Average Membership	Rate of Tuition
Brewster Academy	1	1.0	$295.00

Sanford High School	1	0.3	277.50
Nute High School	18	16.1	275.01
Spaulding High School	24	23.4	275.50
Kennebunk High School	1	1.0	340.77
Totals	45	41.8	

Enrollment in September of the current year was:

High School	No. of Pupils	Rate of Tuition
Brewster Academy	1	$295.00
Nute High School	23	285.00
Spaulding High School	29	285.00
Kennebunk High School	1	347.80
Total	54	

Of these 54 high school pupils 12 are seniors. Estimated high school enrollment for 1958-59 is 58.

The school health services continued under the able direction of Mrs. Rebecca Sanborn, R.N. Mrs. Sanborn is employed by the School Nurses Union made up of the school districts of Effingham, Freedom, Madison, and Wakefield. The school nurse's report appears elsewhere.

Wakefield received no state aid for the current operation of schools and will receive none this year. The district will receive $900.00 in state building aid applicable to the capital payment on the debt for the Paul School.

On other pages appears a report of the organization of a cooperative school study initiated by the school boards of this supervisory union, the reasons why this study is considered urgent, a brief description of a cooperative school district, and some of the education-

al advantages, if implemented, it may be expected to provide.

In one section of the report mention is made of some building problems imminent in several of the districts, that should be alleviated by a cooperative school. However if the cooperative project should be accepted the building facilities probably would not be ready for use before September, 1961.

Wakefield has an immediate problem of providing room for the pupils in Sanbornville. For several years grades 5 and 6 have been combined in a room in the Grammar School. The present 4th grade has an enrollment of 29 and the 5th grade 18 pupils. If these are combined as grades 5 and 6 next year there will be considerably over 40 pupils enrolled. No teacher can be expected to attain good results with such a large number of pupils. There is urgent need of additional room by September, 1958.

The cooperation of the school board, teachers and citizens is appreciated.

Respectfully submitted,

EVERETT H. BRASIER
Supt. of Schools

The State's share of the superintendent's salary for Supervisory Union No. 36 was $2,500.00. The shares

for the various school districts in the Union for 1956-57 were as follows: Brookfield $158.56; Effingham $325.71; Freedom $365.66; Madison $470.00; Middleton $39.01; Ossipee $1,304.25; Tamworth $909.92; Wakefield $1,126.59.

The amount of per capita tax paid by each district is as follows: Brookfield $38.00; Effingham $156.00; Freedom $110.00; Madison $218.00; Middleton $140.00; Ossipee $544.00; Tamworth $456.00; Wakefield $468.00.

Proposed Cooperative School District Study

At a meeting of the school boards of Supervisory Union No. 36 in November, 1957 a discussion of the impending increase in the number of high school pupils in these districts, and a reported proportionate increase in the high school districts now attended by our pupils, led the board members to decide that a serious study of a cooperative school district for this area is very urgent. All the high school pupils of this area are transported to schools outside these districts. Our school boards have no control over these high schools. If it becomes necessary to provide high school facilities for our pupils it is imperative that the study begin now in order to provide the essential building, equipment, and staff by September 1961.

Because there will be expenses necessary in making the study and reporting the findings to the citizens of the districts each board has been requested to insert an article in the warrant providing an appropriation of $3.00 per pupil based on the average daily membership of grades 7 through 12 for the year 1956-57.

What is a cooperative school district? A cooperative school district is formed from two or more existing school districts by vote of the people. It is an entirely new school district in which the former individual district boundaries no longer exist. It has all the authority and powers of a single district. Its affairs are administered by a school board made up of at least one representative from each of the pre-existing districts who are elected by the people. It brings together the resources of the member districts to provide the desired educational facilities for the pupils of the area. It makes possible the provision of educational opportunities at the high school level by a school of sufficient size (not less than 300 pupils) to offer a

wide variety of instructional services efficiently and economically. It will provide security of educational facilities that are not guaranteed to tuition pupils. Effectively organized it will provide for the educational needs of the pupils of this area.

It is the intention of the school boards to make the study in terms of a six-year high school, grades 7 through 12. The inclusion of grades seven and eight will serve two purposes. The pupils will have the facilities necessary for instruction in science, shop, homemaking, physical education, guidance, music, and art that, in most of our schools, do not exist or at best in a few only inadequately. By moving the 7th and 8th grades out of our present buildings it will make unnecessary the construction of additional classrooms and other facilities in Madison, Ossipee, Tamworth, and Wakefield in the predictable future. Enrollment in grades 7 to 12 in the seven districts involved will be about 450 in 1960 and over 500 in 1962.

Under the cooperative plan school transportation for both elementary and high school pupils may be coordinated and operated more efficiently. A centrally located high school will shorten most of the bus routes materially which should decrease this part of the school budget.

Under the present state school building aid law a cooperative school district of two former districts is entitled to 40% reimbursement of building costs. The reimbursement increases 5% for each additional district to a maximum of 55%. A cooperative district of five old districts will be entitled to the maximum 55% aid.

The cooperative school district serves to attract and hold good teachers by providing better teaching conditions, better instructional facilities, better pro-

fessional relationship, better professional consultant services in the fields of guidance, music, and art, and a better professional spirit through belonging to a large instructional unit.

This proposed study must cover many aspects of the problem including:

1. A study of the school population of the area.

2. A study of the educational needs of the youth of the area and the school program that will provide for these needs.

3. A study of transportation needs and the costs.

4. A study of building needs and the costs.

5. A financial study including capital costs, current operation costs, bond issues, state aid available, apportionment of costs and affect upon the tax rates of the districts involved.

It is proposed that the results of this study will be published and distributed to the voters of these districts prior to the annual district meeting of 1959.

We feel that this study project is immediately necessary to make certain the security of educational opportunities at the high school level, to provide better instruction for the 7th and 8th grade pupils, to relieve several districts of impending building construction problems, and to improve our entire educational system. It is our earnest hope that this study will receive your support.

The districts concerned in this study are Brookfield, Effingham, Freedom, Madison, Ossipee, Tamworth, and Wakefield.
